FALL PROGRAM NEWSLETTER

WEEK 3—October 1st—October 7th, 2018

We are headed towards October already. The weather is getting cooler and its getting darker earlier. Our teams are having a ton of success. Please find updates on all programs below. In addition we began getting team photos this week. Those photos are posted on our social media sites, Facebook, Twitter and Instagram so check them out.

Biddy Soccer- Week two was just as much fun as week one in our K-2nd grade biddy soccer program. This week kids got their shirts and we began to work on shooting skills. We will continue to work on these individual skills this week as we work towards a real game the final week.

Travel Soccer- Our travel soccer program played their first game of the season Thursday and had a great showing, beating Jackson 5-1. Coach Millett and Wiggin continue to work hard with this group as they prepare to play in three tournaments in the month of October. This week they play at Tamworth Rec.

Intramural Soccer- Our intramural soccer teams played a very tough Denmark team last Saturday at the rec. While both teams came home with losses, the kids played hard and continue to improve. Unfortunately the weather did not cooperate this week so we were unable to practice Tuesday. Both teams play at Lovell Saturday (9/29), we will update you on how they do in next weeks newsletter.

Field Hockey- The field hockey team went 2-0 this week in their first game action. The girls beat NCCC on Monday at the Rec and followed that up with a win at Fryeburg Wednesday. This week there are no games scheduled, just practice. Please mark your calendar parents as we will be participating in the Carroll County Field Hockey Jamboree at Ossipee on October 20th.

Flag Football- Week 2 Results in our flag football program were, Patriots (20) Steelers (6), Packers (34) Dolphins (6) and Raiders (27) Dolphins (0). Due to the fair, Fryeburg teams will not be playing this week, so there will only be two games.

Pond Hockey- Week one of pond hockey was a huge success. So many kids came so far in just 60 minutes on the ice. We can't wait to report back next week with how the kids are doing. Special thanks to our on ice volunteers who make this program possible.
