

CONWAY PARKS & RECREATION DEPARTMENT

FALL PROGRAM NEWSLETTER

WEEK 1—September 17th—September 23rd 2018

Thank you for choosing the Conway Parks and Recreation Department for your child's fall program experience. New this year, we will be sending out a weekly newsletter via e-mail as well as posting it on our website. This newsletter will give the weekly schedule, updates on teams as well as pass on information of future programs we will be offering.

We are very excited to be offering six sports programs for the fall of 2018. Some of you I am sure have noticed a different line-up of programs. In addition to our staple programs (field hockey, flag football, intramural soccer and pond hockey) we have added two new programs. The first is a travel soccer program. This travel soccer team will play games against other towns as well as play in four tournaments over the next two months. Their first tournament is this Saturday in Littleton, we wish them luck. Our second new program is biddy soccer for K-2nd grade. This program has taken the place of our K-2nd grade bowling program. If your child has participated in the fall bowling program in the past and loved it, don't panic! Its not going away, its just being moved. We will offer the bowling program as a mud season program in March.

The biddy soccer program had a limit of 20 kids, however we were thrilled to have 46 kids register. It is impossible to run this program with that many children, so we have split the program into two sessions. Please go to our website and view the biddy soccer program page. There you will see the rosters and session that your child is in. If your child is in session two they may ride the rec bus, however they will be required to sit in the bleachers during session one. If you have questions or concerns, please do not hesitate to contact our office. Contact information is on page two of the news letter.

If your child is going to take advantage of the rec bus you should send a note to school with them which states the days they are participating in programs with us and that they are allowed to use the service. Siblings who are not participating in programs should not be taking the rec bus as we cannot supervise them during programs.
