

# CONWAY REC

# WELCOME HOME

# FALL PROGRAM

## WEEK 2 NEWSLETTER

### September 14th, 2019

Week one of fall programs is in the books. Thanks to all the participants and parents for making this transition to our new facility a smooth one. This week the schedule picks up with all programs in action (please see the schedule to the right). Please read through this week's newsletter for updates on all programs.

Field Hockey & Travel Soccer both opened up practice this week. Players for both of these teams will receive their mouth guards next week. Once mouth guards are handed out all participants must wear them for both practice and games.

Biddy Soccer week 1 was a ton of fun. The kids did a great job, especially with how hot it was. *(Please turn to page 2)*
