

CONWAY REC

WELCOME HOME

We've reached Fryeburg Fair week already, can you believe it? Many of our programs are run in conjunction with the Fryeburg Recreation Department, therefore you may see some changes from the normal schedule this week. In addition, Thursday night our flag football games were postponed due to rain. With all the programs we run, field space is very limited, therefore, the football schedule has been adjusted. Please find an updated game & practice schedule on page 3 of the newsletter this week. Please note that this includes changes to practice times and games so please disregard your old schedule and follow this one.

(continued from page 1) **Field Hockey**– This week field hockey has their first game action with (3) games, hosting NCCC Monday, traveling to Ossipee Wednesday and hosting Wolfeboro Thursday. To help parents with travel, there will be a rec bus that transports kids to their game in Ossipee Wednesday evening. Please send your child with a note allowing them to use this service Wednesday.

Intramural Soccer– Both our intramural soccer teams saw game action this week with the grade 5/6 team playing to a 2-2 tie with Lovell Wednesday night on the road. Friday both teams (grade 3/4 & grade 5/6) are in game actions, results will be posted in next weeks newsletter. Saturday the grade 3/4 team travels to Brownfield/Denmark for a 10 a.m. game. Players should arrive by 9:40 a.m. to warm-up. The address to the Brownfield Field is 90 Main Street in Brownfield Maine. Directions will also be posted on our facebook page Saturday morning.

Biddy Soccer– Biddy Soccer is down to their final skills practice this week before they wrap up the season with a game on October 9th. The game is sure to be entertaining so make sure you get out of work early to see all the action.

Travel Soccer– It's a big week for our travel soccer team as they play 3 games this week before heading to Littleton next Saturday (October 5th) for action under the lights. Before we get into this week, lets look back to last week. In their first game action of the year, the travel team beat Bartlett 3-0 behind a great team effort. This week the travel team is on the road Monday at NCCC (game played at Schouler Park), on the road Tuesday at Ossipee (game played at Constitution Park) and game Wednesday at Home vs Bartlett. On Tuesday, the Conway Rec will use the rec bus to transport players to the game however parents will be responsible to pick their child up. Rec staff will be on site in Ossipee for supervision. Good luck in a busy week of action travel team.

Flag Football– Flag Football action Thursday night was washed out due to rain. Because of this, the remaining schedule has been adjusted. Please check out the updated schedule on page 3 and disregard your original schedule.

Pond Hockey– Our most unique program is off and running, Pond Hockey at the Ham Arena. We hope you had a great first week and we can't wait to get back on the ice with you today (See team photo to the right).

(Right) This is a friendly reminder that mouth guards are mandatory for all Conway Rec games and practices.
